

"Ariake Ceramics Construction(THAILAND)Co.,Ltd."
(the abbreviated company name is Ariake Thailand)
was established at Bangkok, Thailand.

We established "Ariake Ceramics construction (THAILAND)Co.,Ltd."
(the abbreviated company name is Ariake Thailand) on September,2012.

Ariake Thailand has the headoffice located in Bangkok and the plant in Chonburi. As main business, Ariake Thailand makes designs, construction, and maintenance of Aluminum melting and holding furnaces, and also, manufacture and sales of ceramics components for molten Aluminum related equipment.

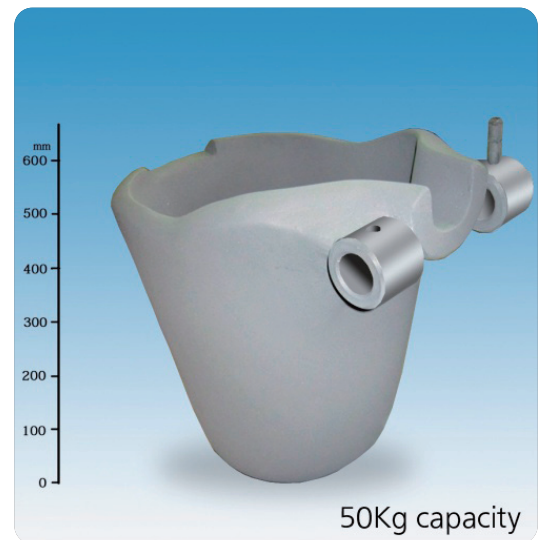

Recently, Ariake Thailand has started manufacture and sales of ceramics ladle cups, "Ceraco Ladle™", and began to supply them to aluminum die casting makers in Thailand. Ariake Thailand is also planning to manufacture Aluminum holding furnaces and melting & holding furnaces with Nicaceraco unit forming bath, to deliver them to automobile and die casting makers in thailand, and to import them to Japan.
